EDITOR'S NOTE

Ass men, unite! This issue of TAIL ENDS will be hitting the stands in the middle of October, when the cold fall air will be making its appearance in most of the United States. Don't worry, though, the hundreds of hot asses we've filled this issue with will keep those home fires burning!

As usual, we've featured our most popular sections this time around—Blondes, Brunettes, Big Butts, Close-Ups, Outdoor Asses, Ethnic Assholes and our wildly popular Amateur Contest. Plus, we're also proud to feature three beautiful models in full-length layouts. The short interviews included with each will give you some insight into each young lady's sexual preferences and experiences. What they have to say may surprise you!

Keep those letters coming, guys. Receiving your comments and suggestions will help us continue to expand upon and improve TAIL ENDS. Remember, this is your magazine, and we won't stop working hard until we've gotten each and every one of you off! Send your letters to TAIL ENDS, 462 Broadway, Suite 4000, New York, NY 10013.

Until next time, fellas, thanks for your support!

HEELS A SHOE-IN

You asked readers to tell you what we want to see in the magazine, so I did. I wrote and said I want to see more feet in the photos. I must not have been the only one, because I'm happy to see a new section in the October **TAILENDS**, "Feet and Ass." This is just what I wanted and now I feel I must say thank you.

High heels make a woman look sexier. A girl I went with called it "dressing up for sex." Every time we fucked, she wore her high heels to bed. I found this to be a big turn-on. In time, my fascination turned into a fetish. I'm not into foot sex or sucking toes, though being masturbated by a pair of soft, feminine feet is something every man should experience. However, I do find that if the woman is wearing high heel shoes or boots, I get harder than when she's not, and I stay hard for a much longer time.

Please keep "Feet and Ass" as a regular feature. **TAILENDS** has always been an excellent magazine and it just got better!

BIG & BANGABLE

I love a full-figured woman. Big tits, big ass! I'm a large man with a hearty appetite for female flesh. When I go down on a woman, I eat her from front to back. Erica, in your October issue, has the kind of ass I want to push my face into. I'm glad she met Frank even if I wish she'd met me instead. It would have been a shame if she'd been denied the pleasure of knowing how desirous she is and how enjoyable anal sex can be.

I started buying **TAILENDS** two years ago and I can't quit!

SHY BUNS

As soon as I finished jerking off on Veronica's pictures [**TAILENDS** October 1996], I wrote her a letter and told her what my jerk-off fantasy was. I buy **TAILENDS** to see beautiful female asses, so I don't mind that she didn't show her pussy. In my fantasy, she didn't either. Veronica's small, round ass is the object of my lust, and imagining that I was receiving a lap dance from

her, I squirted hot cum all over the wall!

I'd like to see more spread cheeks in the magazine!

CAT'S GOT HIS TONGUE

As soon as I opened the October TALENDS to Tabby's layout, my tongue curled up in my mouth. I wanted to insert it between Tabby's big butt cheeks and lick inside her crack. You can keep your skinny girls with their flat asses. Give me a bottom-heavy babe with a big, juicy ass any time! Please!

SHOW AND SWELL

I showed my wife a copy of TALENDS and mentioned you have an amateur photo contest. I asked her if she'd like me to send her picture in, and she said maybe. My wife loves to show off her body and I encourage her. I'm proud to be married to a beautiful woman with big breasts and a large, perfectly round ass. After she looked at the magazine a while, she put it down and began to tease me.

I sat in a chair and watched as she danced in front of me. She did a slow striptease, taking everything off except her white cotton panties. Facing away from me, she bent forward and put her hands on her ass, digging her fingers in and squeezing her ass cheeks.

I took out my cock and stroked it. It was like being at a peep show. When my wife pulled down her panties to expose one ass cheek, my cock lurched in my hand. Then she covered that cheek up and exposed the other one. All the while, she kept dancing provocatively, shaking her behind and enticing me with her lewd gyrations.

Finally, I couldn't stand it any longer. I jumped up and went to her and shoved my cock down her panties and into her ass crack. I immediately came, soaking her panties. After that, my wife knelt down and cleaned my cock with her mouth, then pulled me down on top of her and we fucked like we never did before.

TALENDS is an excellent magazine and causes great sex!

LEWD GAMES

I threw my husband a surprise party for his thirtieth birthday. I never expected it to turn out to be so much fun.

We played party games with an adult twist. Instead of Pin The Tail On The Donkey, we played Pin The Boobies On The Babe. I found the game in a novelty shop. Hide And Seek became Find And Feel, and then the gals played Musical Cocks with the guys sitting in the chairs. You can guess what this all led up to, our first orgy.

We'd been leading up to this for a while. It didn't just come out of the blue. It was playing Musical Cocks that pushed us to the limit, a game I thought of after seeing my husband salivate over his latest copy of TALENDS. It's the only men's magazine he ever buys!

NEWCUMMER

I just bought my first copy of your magazine, and I love it! I love the variety—young butts, mature butts, whatever.

My favorite shots are the straight-on ones, with the spread open cheeks and where you can also see the chick's face. Panties pulled down or to the side is a nice touch.

I have one suggestion, however. I'm a white guy and I love to see beautiful black butts. Let's see more pretty black booty.

BUNS IN THE SUN

I'm impressed by the quality of the photos in TALENDS. I wish you would print an article on amateur photography and give tips on how to take good close-ups. I know several girls who would be glad to pose for nude shots with the hope that you would want to publish them in the magazine.

My favorite photos in TALENDS are the outdoor shots. I like to see the sun glistening on a pair of oiled-up tits or a tanned ass that has grains of sand clinging to it. A woman emerging from a pool or walking from the rippling shore with water dripping from her body incites an erotic fantasy that can only end with a blazing orgasm. A woman naked outdoors is a woman who loves her body and sex.

While I may not qualify as a photographer, I am a qualified ass connoisseur. In that capacity, I rate TALENDS as the best ass magazine on the market. Keep it coming, please, and don't change a thing!

BLONDES

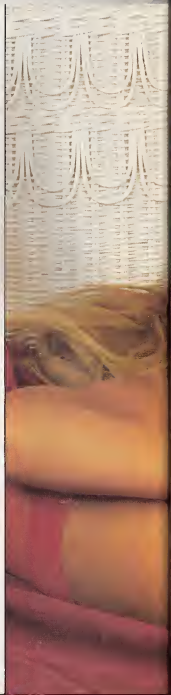

LESLIE

TAILENDS: Your body is beautifully toned. Are you a fitness professional, say, a professional trainer?

LESLIE: Thank you, but no, I'm an account executive, a desk jockey, as they used to say. I just work out regularly.

TAILENDS: Jogging, weights, and—

LESLIE: And you know what else—sex, sex, sex! I swear, getting some dick in my back door keeps my ass firm.

TAILENDS: With a rear like yours, you probably have a trail of ass men following you all the time.

LESLIE: That happens when I'm

on vacation, at a nude resort. I love sun on my body—all over my body—and I don't exactly mind the attention I get, either.

TAILENDS: From the men, and...?

LESLIE: The women, too.

TAILENDS: Do you go both ways?

LESLIE: Yes, I do. My girlfriend and I work out together at the gym, then we go to my place or hers for a different kind of workout.

TAILENDS: Have you two ever shared a guy?

LESLIE: Oh, we will, if he's not too pushy.

TAILENDS: Pushy? What do you mean?

LESLIE: Like last summer, at the resort. We were on the nude beach, and we both had our eye on the same hunk. He was aware of our interest, and came right up and asked us if we wanted to do a three-way with him.

TAILENDS: So, you told him to get lost?

LESLIE: No. Gloria, my girlfriend, is more, well, devilous. She insisted we invite him to our room, but once we were there, she and I started getting it on. We ignored him so completely, he left before he even jerked off.

TAILENDS: It was just you and Gloria after that?

LESLIE: We found this really nice shy guy. We practically had to drag him into our bed, but once he got there, he really let loose!

Sabrina

TAILENDS: You said you really get off on showing your body. When did you discover that about yourself?

SABRINA: When I was in college, in my second year. I'd had my first few sexual experiences, and I'd been very shy—I insisted on leaving the lights out, all that. Then, on a dare, I went with some of my girlfriends to a nude club that had an amateur night.

TAILENDS: That was quite a change. Were you nervous?

SABRINA: I was until I actually walked in. The place was noisy, sure, but it was nothing like I'd imagined. The girls on stage looked relaxed, and some of them, their breasts were smaller than mine.

TAILENDS: Ah, is that why you were shy? Small tits?

SABRINA: I didn't think that way back then, but I guess so. Anyway, one of my girlfriends stripped down for the contest, then the other one did. I got very turned on, watching them—I felt the way I did after a lot of foreplay.

TAILENDS: So, you joined them?

SABRINA: It was like, one minute I was in the audience, then the next I was in the dressing room, taking it all off.

TAILENDS: How did the audience react to you?

SABRINA: They went wild, especially when I bent over and mooned the room. And, I won the contest!

THE EDITORS

Dear TAILENDS:

What's the difference between a nice girl and a slut? Six hard inches? That's one answer, but I have another—nice girls don't say they like to fuck, and sluts say they love to. Another difference is that nice girls don't pose nude, whereas sluts do. So, which kind of girl am I?

BEHINDS IN THE WORLD!

Dear TALENDS:
No matter how
many times your
readers may have
jerked off from
reading your
great magazine,
they'll get hard
and start
stroking all over
again when they
see this photos
of my lady.

Mark
Hilleis

Dear TALENDS:
Peppermint candy cane thong-back? That's what she calls this swimsuit, which lets her sun her buns. Of course, all that exposure gets her horny, and I'll be horny just looking, so, when we get home...wow!

Bill
Illinois

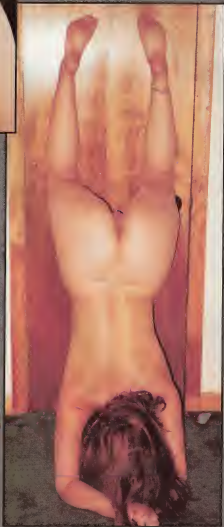

Dear TALENDS:
Whoever says that women close to 40 aren't good fucks is full of it. My girlfriend here is 37, like I am, and we're fucking better than we did when we were in our twenties. This is how we like to do it, doggy-style in a chair, leaving both her holes accessible to my prick.

Jim
Texas

Dear TALENDS:
How much does my wife love anal sex? As you can see in this photo, which we're as horny to see in print as we are for each other, she'll stand on her head for it!

Van
Connecticut

Dear TALENDS:

My wife loves backdoor sex. If this picture gets published, she said she'll agree to some double penetration with me and a lucky neighbor.

**Paul
California**

Dear TALENDS:

Here's my wife, posing in our workshop. She likes construction work as much as she hates wearing clothes. In the workshop, we have racks and cabinets for the hammers, etc. Guess where I put the tool between my legs?

Harry
Connecticut

Dear TALENDS:

She was kind of shy about having her picture taken for your magazine, but she loves thong bikinis, and I told her she shows as much at the beach as she would in a contest photo. She said she didn't show her pussy and butthole on the beach, I said that a bathing suit shot might be too tame, so we compromised. Here she is, in her underwear.

Tom
Arizona

Dear TALENDS:

I insisted on this background for my TALENDS contest photo, even though my husband said I didn't need it. When I asked him why, he said that just the sight of my bums alone was enough to make him see spots before his eyes. He's much better with a camera than he is at making jokes, as you can see. Oh, and he's good with his dick, too.

Rita
Florida

Dear TALENDS:

All my wife has to do to get me in the mood to fuck is strip down and bend over. I'll drop whatever the hell I'm doing, then I'll drop my pants. I'll lube up her asshole with my tongue, then I'll lube up my cock with her pussy fluids, then we'll butt fuck.

George
Florida

Dear TALENDS:

I love to fuck and I love to swim, and best of all, I love to fuck in the pool. I'm always horny, and if a hot stud gets in the water with me, you know that bikini bottom you see in this picture will come off quick.

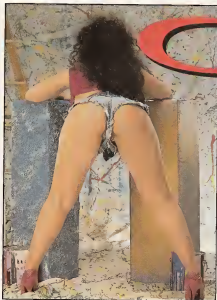

Betty
Indiana

Dear **TAILENDS**:

You've heard that expression, "the best of both worlds," right? Well, here's my wife, all set for a hot night of fucking and sucking. What you see here is the best of both holes!

All
Florida

Snow

TAILENDS: Your photos are amazing! Have you ever posed nude before?

SNOW: I originally posed for this layout for a magazine called *HOT SALSA*, but then it got killed before I appeared, so I guess you could say this is the first time anyone's getting to see me nude...except for my lovers!

TAILENDS: Well, we considered ourselves very lucky, indeed. What do you do in your professional life?

SNOW: I'm a part-time exotic dancer, a partime secretary and a part-time bartender!

TAILENDS: What type of men turn you on?

SNOW: Tall, dark, handsome, rich and in love with me!

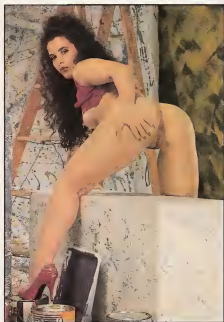

TAILENDS: Have you met Mr. Right yet?

SNOW: No, of course not! This is 1996!

TAILENDS: What turns you on?

SNOW: Giving great blow jobs and having my pussy eaten until I can't stand up anymore, my legs are shaking so much from cumming. Then, a nice hard fuck is great!
